2017 Mary Lee Clark Awardee Adam Hill

Third District Supervisor, Adam Hill, recalls with affection the many years he called Grover Beach his home. His loyalty to the community is reflected in his continued support and encouragement to the Grover Beach Community Library and the Board of Directors. Over the past several years, Supervisor Hill has arranged for funding to develop a library brochure, supported the Library Valentine Dance fund raiser, assisted in the establishment of the Book Break for Seniors program, assisted in the creation of the Classic Books Section and more recently was able to convince the County to agree to support and finance a major physical refurbishment of the Library.

To show their appreciation for all he has done, at the Library's annual Community Appreciation Day, the Library presented Supervisor Hill with the Mary Lee Clark Award, given to recognize a person, persons, organization, agency or entity that has significantly contributed to the goals, enhancement, promotion, success and continued growth of the Library. In receiving this award, Supervisor Hill said, "It is so much more than I expected. It is so bright and kid friendly. I would love to come and read to the children". Any time, Adam.

Senior Book Break

Recent meetings of the Book Break bunch covered several topics of general interest including: “bucket list travel”, which gave most an urge to pack and go! The list is posted in the library if you are interested, as are the most recent book lists discussed by this active group.

Another genre discussed that is most popular is Spooky Stories. Who would know that there is a whole list of great books that they prefer to read during daylight only?

During the May meeting one of our local authors, Mary Mead, raffled off an Easter basket. The happy winner was one of our long-time volunteers and dedicated readers, Betty Dodson. In June they will be discussing books about “legends, myths and history”. Lets hope they can all tell the difference.

This is an open group and they are friendly and welcome all newcomers. Join them on the second Tuesday at 10:30 at the library for great coffee and great reads. For more information or transportation, call Megan at 270-3459 and sign up for e-mail news and updates.

Summer Reading Program

This summer’s reading theme is “Summer Fun” and we want to help make it so. We will begin K-6 open registration on June 10th. Each child will need to finish and list six books in six weeks in order to qualify for the reward of a \$5 gift card to In-N-Out Burger.

Each child will have their name posted on the bulletin board in the library. As they read their books, they will choose an fun sticker to be added under their name tag. Lots of choices.

The librarian of the day will be ready to help choose a good book and offer the choices of their sticker to be added when the book is finished. There are so many good books and so little time.

Books are the stepping stones to good learning and better understanding. Reading skills work everywhere. Come join us and make your summer fun.
