## Fresh and New!

Thanks to the generous grant from County Supervisor Adam Hill, we just completed a month long refurbishment of the front lobby and the Teen Read section of the library. We covered up the old paneling, plaster coated all the walls and painted them a fresh sage green. When you

come to the library again, just look for the new red door. We upgraded all the woodwork in the lobby which gives it a bright and friendly appearance for all. It's a much more lively place to choose a book, meet a friend and work.

We are offering the same great programs as we did before we closed. Reading 2 Rover for children that have reading issues is still offered weekly on Wednesday afternoons at 3:00. Every Monday morning at 10:30 am is Children's Storybook Time with several of our wonderful volunteer readers. If one of the local teachers wishes to have a class tour and reading experience, it can be arranged by calling the library at 481-4131.

The Senior Book Break is really having a great time discussing genres of their choosing. While the library was closed they met at a local coffee shop so they did not have to miss a single meeting. They will continue with their current choice of genre, as posted in the library, every second Tuesday of the month at 10:30 am. If a senior is interested or you know a senior that would enjoy and benefit from this group, give us a call. We can help with transportation issues.

240 N. 9th Street  
Grover Beach, CA 93433

## Summer Reading Program

The summer reading program will again be offered at the library. We don't have a date certain yet, but will be notifying the local grade schools and junior high schools of the date, theme and starting time for registration.

This is always such a fun time and gives those kids something positive and fun to do during the long summer days. Watch for the start up dates when you are at the library.

## Community Appreciation Day

This year we will be celebrating our Community Appreciation Day and our 13th Anniversary on **March 15th** at the library at 5:00 pm. It is also our grand opening to show off our new look. There will be finger food, drinks and many of our friendly librarians and volunteers to show you around the library and answer any questions about our programs and the future plans of the board. Please save the date!

## Senior Book Break

Senior Book Break isn't like other book clubs that ask everyone to read the same book. Instead, we get together for good conversations about many different books, authors, and genres. Each meeting, we start with a topic—suggested by participants at the previous meeting—but our conversation takes us all over the literary map! If you enjoy reading and meeting other active readers, you should stop by one of our meetings. We discuss books in a casual setting over coffee and refreshments, and most of us leave with a new book or two on our "to-read" list. We meet from 10:30 to 11:30 am on the second Tuesday of the month at the library.

## Book Sales of 2017

Even while we were closed, we continued to accept beautiful donated books of all kinds. We will be offering three sales in 2017. Always dependent on the weather the dates are:

**March 11th, July 1st and October 21st.**
